High-Quality Display Solutions from a Market Leader

As a market leader in display solutions, Tripp Lite has the experience and expertise to help you optimize viewing angles in your environment. You can add mobility to your display, deter theft, enhance ergonomics and fine-tune the positioning of digital signage and point-of-sale screens to communicate your message more effectively.

VESA compliance (where applicable) makes it simple to choose a mount that will work with your display. All models include mounting hardware to make installation quick, easy and secure. Wall mounts include fasteners for walls with timber or masonry construction. Most mounts have a sturdy steel or aluminum frame to withstand the stress of repeated adjustments and tolerate use in public areas.

SPECIFICATIONS

Model	Previous Model	Supported Screen Sizes	Weight Capacity	Mounting Profile (Surface to Display)	VESA Compliance	Tilt	Swivel	Rotate/Screen Level	Feature Focus (pp. 4-16)

All models have a 5-year limited warranty, except DMACUSB has a one-year limited warranty. * Function- and weight-tested to higher value in accordance with UL Standard 2442. ** DDR1527SDC includes a desktop stand and a desk clamp.

Mobile Floor Stands

- Bring the message to the audience with the convenience and placement versatility of an A/V stand on wheels.
- Display height is adjustable for optimized viewing.
- DMCS60100XX accommodates displays and popular brands of interactive whiteboards.

4A DMCS3770L (Mobile Stand)

4B DMCS3270XP (Mobile Stand with Rotatable Display Mount)

4C DMCS60100XX (Heavy-Duty Mobile Stand)

4D WWSSRC (Mobile Workstation)

Security Wall Mounts

- Deter theft of displays, especially in public areas with unguarded traffic.
- Solid steel security bar slides through the mounting brackets and is secured with a combination lock (included).
- Display keeps the mount and security features out of sight for a sleek, professional appearance.

5A DWFSC3255MUL (Fixed Security Wall Mount)

5B DWFSC3780MUL (Fixed Security Wall Mount)

5C DWTSC3255MUL (Tilt Security Wall Mount)

5D DWTSC3780MUL (Tilt Security Wall Mount)

5E DWMSC3780MUL (Full-Motion Security Wall Mount)

* Function- and weight-tested to higher value in accordance with UL Standard 2442.

Desktop & Clamp-On Mounts

- Increase available desk/table space in office workstation applications.
- Convenient one-touch display adjustment provides easy view optimization and improved ergonomics for varied tasks throughout the workday.

WorkWise™ Adjustable-Height Workstations

- Adjust workstation height to alternate between sitting and standing throughout the workday.
- Convert a fixed-height desk or other flat work surface into a custom-height workstation.
- Extra-large keyboard tray accommodates most popular brands.

8A WWSS1327CP (Desk-Clamp Workstation)

8B WWSS1332C (Desk-Clamp/Grommet Mount Workstation)

8C WWSS1332W (Wall-Mount Workstation)

8D WWSS1327RWTC (Wall-Mount Workstation)

Potential Benefits of Standing

Initial studies and user reports suggest that standing for part of the day has a range of potential benefits:

- Improved alertness, concentration and productivity
- Lower blood pressure and reduced risk of diabetes and heart disease
- Increased comfort, improved morale and reduced absenteeism
- Improved posture and toning of key muscle groups
- Decreased risk of repetitive stress injuries
- Reduced fatigue, eyestrain, aches and pains

Up to 16 in. Above Work Surface

Monitor Platform is 36 x 22 in.
Keyboard Tray is 27 x 9 in.

Dual-Monitor Adapter

- Modify a single-screen mount to accommodate two monitors without using additional desk/table space.
- Adapter attaches to a VESA mount.

9D DMA1327SD

13 to 27 in.

2 x 22 lb.*

75x75, 100x100

* Total weight cannot exceed weight capacity of the single-monitor display mount.

AC/USB Charging Clip

- Mount clip to a display-mount pole for convenient access to charging power.
- Two NEMA 5-15R outlets (one in rear) and two USB ports (3.4A total) make it easy to keep devices charged.

9E DMACUSB

Fits Most Poles up
to 1.5 in. Diameter

CPU Mount & Thin-Client Mount

- Computer mounts save space in workstations.
- DCPU1 allows CPU to be mounted on a wall, desk or rail.
- DMATC secures a thin-client computer to a pole or wall, under a desk or to a display mount's VESA plate.

10A DCPU1

40 lb.

Fits Most CPUs from
4 to 6.25 in. Wide

10B DMATC

Fits Most Thin Clients
from 0.7 to 2.8 in. Wide

11 lb.

75x75, 100x100

Safety Strap Securely
Holds Thin Client in Place

Tablet Mounts (Full Motion)

- View your tablet without using desk/table space.
- Convenient one-touch display adjustment provides easy view optimization and improved ergonomics for varied tasks throughout the day.

Ceiling Mounts (Full Motion)

- Full-motion articulation provides the most flexible view optimization.
- Mount for displays frees up wall and floor space in digital signage applications.
- Mount for projectors allows precise image positioning in classroom, boardroom and commercial settings.

12A DCTM (For Displays)

12B DUNVPJT (For Projectors)

Wall Mounts (Tilt)

- Tilt adjustment provides improved viewing angles for applications where the audience is below the display.
- Low-profile mounting keeps the unit out of sight for a sleek, professional appearance.
- Horizontal adjustment compensates for off-center wall studs.
- For security wall mounts with tilt adjustment, see DWTSC3255MUL and DWTSC3780MUL on page 5.
